

FORMULATING CONFIDENCE FOR SUCCESS

LEARN FROM LEADERS OF PHARMACEUTICAL EXCELLENCE

Smriti College of Pharmaceutical Education (SCOPE) was founded in 1999 under the aegis of "B. R. Nahata Smriti Sansthan" (BRNSS). It was established in the memory of late Mr. B.R. Nahata - a great social leader, parliamentarian and a renowned educationalist. Carving a niche in pharmaceutical education, we are at the forefront of research

ever since we launched the first private player run post graduate program in the state. Our contribution has been phenomenal in publication, presentations and research projects from budding pharmacists and research scholars. We advocate the skill - based education rather than rote learning or syllabus driven or exam oriented approach.

APPROVALS

- ✓ NBA accredited 2013-2016 (UG)
- ✓ Approved by All India Council of Technical Education (AICTE), New Delhi
- ✓ Approved by Pharmacy Council of India (PCI), New Delhi
- ✓ Approved by Directorate of technical Education (DTE), M.P.
